### St Luke's Environment Action Group Bushfire Appeal

The St Luke's Environment Group are growing seedlings of herbs, veggies and flowers for the bushfire victims to start their gardens and add a bit of colour. Jean Daw is going to Bairnsdale end March for starters, with a load for the victims in that area. All pots to be at St Luke's 11am Sat 21st March to be loaded in her car. We may have

more going to other areas as well.

If you are interested in helping, please see one of the Environment Group – Claire, Michelle, Jean, Jenny, Ian A, Ian L, Phil.

### Prayer Shawls For Bushfire Areas

Pastoral Connections have been seeking contacts who could take and make available to those in the fire-ravaged areas some of our hand-knitted and crocheted shawls, with a card assuring those suffering that we are praying for them. We have had a wonderful response, with the following distribution numbers and areas:

- 6 shawls and 4 knee rugs went to Orbost on 11th January.
- 7 shawls and 3 knee rugs went to a chaplain in Merimbula for delivery to Bombala on the 19th January.
- 5 shawls went to Bright for distribution by the UCA minister.

We still have some available to give to those in fire areas. Please contact Beth on 52436874 if you know of someone who could be comforted by the gift, or who can take into the areas for distribution.

## Garage Sale Posters

If you have a local shop or library that would be happy to display our garage sale posters for a couple weeks, please take one from the table outside the Vestry and help us to get the word out!

## Thanks from Uniting World

We recieved a call this week from Alexandra Bingham of Uniting World to thank us for the \$739 raised by St Luke's at our Uniting World Everything In Common gift shop. Well done to Jean Daw and helpers for organising this effort. Alexandra spoke at St Lukes at the beginning of 2018 and we look forward to having her back here sometime this year.

## Call for submissions for St Luke's Annual Report

It's time to prepare the St Luke's Annual Report ready for our Annual Meeting in March. Submissions (including photos and videos) are invited from activity leaders and participants to share:

- Activities - what were you doing?
- Participants - who was involved?
- Highlights
- Plans for 2020 and beyond

We would love to share the content you send in other platforms like the website and on social media, maybe even to Crosslight!

Please send any photos as separate attachments to your email rather than embedded in any document you create. Please send your submission by the end of February. Thankyou for your help in sharing the good news about our ministry!

This week's Prayer comes from the World in Prayer website, <http://worldinprayer.org>

### World News in Prayer – Thursday, 30 January 2020

Arise, shine, for your light has come,  
And the glory of the Lord rises upon you.  
See, darkness covers the earth  
And thick darkness is over the peoples,  
But the Lord rises upon you  
And his glory appears over you.  
Nations will come to your light,  
And kings to the brightness of your dawn.

Isaiah 60:1-3 (NIV)

O Dayspring, O Sun of Justice, you have set our hearts ablaze with the light of your message of hope, reconciliation, and peace. Help us to shine that light into our dark world. Help us to look for signs of that light.

Death and the fear of death surround us as the coronavirus spreads from China and into many nations around the world. But the light shines in the darkness, and the darkness has not overcome it (John 1:5). In Wuhan, the center of the outbreak, a restaurant owner named Li Bo spent the Lunar New Year packing boxed lunches for medical workers in the local hospital, despite his fears that his restaurant will go bankrupt due to the city shutdown. Help us to look for the light, O God.

Anger and distrust of the "other" runs rampant in our world as populist movements grow strong and suffering people blame the most vulnerable among them for their ill fortune. But the Lord is our light and our salvation; whom shall we fear (Psalm 27:1)? As we recognize the 75th anniversary of the liberation of the Holocaust concentration camp in Auschwitz, Poland, we hear stories of hope from survivors like Anita Lasker-Wallfisch, whose musical talent helped her to survive as a prisoner and later thrive as a founding member of the English Chamber Orchestra. Help us to remember the light, O God.

Evidence of human impact on our climate continues to grow as 'extreme' weather becomes the norm in countries around the world. Emergency workers in Australia continue to battle bushfires across the country and respond to damaging hail and rainstorms in places like Canberra and Melbourne. But God is light, and in him there is no darkness at all (1 John 1:5). People of good will across the globe continue to work for solutions, like the firm Portal Forest Estates, which has been planting trees in Ghana since 2000 to provide a balance between conservation and manufacturing for economic growth. Help us to be the light, O God.

Jesus told us, "You are the light of the world. A town built on a hill cannot be hidden. (Matthew 5:14)." Give us hearts and minds, hands and voices, to take up that call

and that promise. Rekindle the light of hope in us. Send us out to look for places of light, remember examples of light, and be sources of light to a dark and hurting world.

Amen.
